## ◆ 2013 NORTHERNERS COTERIE ◆

2013 is a new era for The Northerners. The oldest coterie group in the AFL has developed its program and packages to suit the ever changing demands and needs of its members.

The packages are designed for simplicity and to encourage NMFC fans to get together and watch the footy in a fun family atmosphere that is exclusive to only Northerners members and your guests.

To help grow the membership, increase collaboration with the club and assist with the

creation of further initiatives, the administration of the group will be handled by the NMFC.

In 2013, we have endeavoured to provide you with a mix of formal, sit down and cocktail-style functions including the introduction of a brand new 'Northerners Lounge'. We anticipate that this will further strengthen the relationship between the Northerners and the club and look forward to welcoming you to Round 1.
